Guidelines For

STATE AND DISTRICT LEVEL DISHA COMMITTEES

To Monitor Programmes of
Government of India

2018

Government of India
Ministry of Rural Development
Krishi Bhawan, New Delhi
State Level DISHA Committee

Background

Vigilance and Monitoring Committees (V&MC) at the State and District Levels emerged as an important instrument for monitoring implementation of programmes of Ministry of Rural Development initially. These committees were constituted with a view to fulfill the objective of ensuring value for money, particularly in the context of large public funded programmes of the Ministry of Rural Development. However, over a period of time, through evidence based research it was established that for sustainable and integrated rural development, it is imperative to adopt a holistic approach and monitor implementation of various programmes of different ministries aimed at a common goal for accelerated rural development through convergence. This required certain changes envisaging paradigm of monitoring by way of substituting V&MC with a more robust inter-ministerial platform to facilitate synergies in monitoring and implementation of various programmes. To meet this objective, Ministry of Rural Development has already notified formation of District Development Coordination and Monitoring Committees (DISHA) at both rural and urban districts of the country. To detail the framework of DISHA Committees guidelines for the same were issued on 27th June 2016 and were further revised on 10th January 2018. With this, District level tier of ‘DISHA’ at district level is fully functional.

As next step it is thought prudent to constitute the DISHA system at the State Level. This is necessitated by the fact that there could be large number of issues of important and emergent nature remaining unattended, despite clear cut directions of the DISHA committees at the district level meetings, for want of the apex level coordination. Such issues need to be resolved at the highest level in the State. These guidelines lay down the organizational structure and functions related to State DISHA committees to be constituted in every State/UT. With the operationalization of these guidelines, State level DISHA Committees would replace Vigilance and Monitoring Committees (V&MC) which were operating at state level under relevant guidelines.

2. Objective

Over period of time, significantly larger number of programmes/schemes, cutting across sectors have become operational which aim at changing the landscape of rural areas in terms of sustainable development, meeting infrastructural needs and for improving human resource development, general well-being of people and elimination of poverty. State Level DISHA committees are being envisaged with the objective of ensuring quality of expenditure, particularly in context of optimization of public
funds spent under different programmes of Central Government. These Committees would monitor the implementation of the programmes in accordance with prescribed procedures and guidelines and promote synergy and convergence of different programmes, review intra-state disparities for time bound greater impact. The objectives include providing a crucial role to elected representatives of people in reviewing the implementation of the Central Government programmes in the State. It is an effort to improve development coordination and monitoring within the Constitutional framework of responsibilities assigned to Central, State and Local Governments.

3. Composition

The State Level DISHA Committee would have the following composition:

Chairperson: The Chairperson of the State Level DISHA Committee shall be the Chief Minister of the State/UT with legislature. In case of UTs without legislature i.e. Governor/Administrator, as the case may be, shall be the Chairperson. The Minister of Rural Development shall normally be designated as Co-Chairperson. However, it would be the discretion of the Chairperson to nominate any other Minister in charge of the Department of State, as Co-chairperson.

In the absence of an elected Government in the state, senior most Member of Parliament (Lok Sabha) in the committee should be the Chairperson and next senior most Member of Parliament (Lok Sabha) should be the co-chairperson.

Member Secretary: The Secretary, Department of Rural Development in the State/UT should be designated as Member Secretary of the committee.

Members: The other Members of the Committee shall be as follows:

i. One Member of Parliament (Lok Sabha) or every political party represented in the Lok Sabha from the State and one independent MP (Lok Sabha), if any;

ii. MPs (Rajya Sabha) elected from the State. The number of MPs (RS) in the State Level DISHA committee shall be limited to half of the number of MPs (Lok Sabha) in the committee;

Note: (a) The minimum number of Members of Parliament in the committee should be four from Lok Sabha and one from Rajya Sabha. In case elected member of Lok Sabha in particular State/UT is less than this prescribed number then the committee would have all the elected member(s) of Lok Sabha from State/UT as member(s).

(b) Members of Parliament from Lok Sabha and Rajya Sabha shall be nominated by the Union Ministry of Rural Development in consultation with the Union Ministry of Parliamentary Affairs.

iii. Six MLAs to be nominated by the State Government out of which two should be from opposition parties subject to availability.
iv. The Secretaries/ Heads of State Government Departments responsible for implementation of programmes to be monitored by State DISHA committee i.e. Rural Development, Finance, Planning, Revenue and any other related Department as proposed by Chief Secretary/ Adviser to Administrator of the state/UT;
